Creatures in My Backyard . . . with Friends!

(Children to age 7, with a caregiver)

Teacher: Sara Wyse-Wenger

Give children something to sing about in their own backyard! Be a flower from the seed's perspective! Run and jump in rain puddles made from hula hoops. Rock your baby in a blanket hammock in the shade of pretend trees. "Shoo Fly!" with friends in our circle dance. Discover how backyard animals move, and join them! Listen to the sounds of bird calls! With creative crafts you do at home, and simple snacks we share from time to time, this old-fashioned "back porch" time is given an added dimension in this friendly, multi-generational environment. Home materials include a Home CD of the music from class, weekly take-home projects, a bunny puppet and an instrument.

5 weekly 45-minute classes = \$119 for one child, \$67 for each sibling*
